

Announcement 2021-2-4 Form 4506-C

Impac has updated all of our applicable product guidelines to make reference to the new IRS Form 4506-C. As a reminder, the existing IRS Form 4506-T is being phased out for use by third parties, and the new IRS Form 4506-C must be used to request a tax transcript beginning March 1, 2021.
