

Announcement
Broker Anti-Steering Disclosure
April 18, 2017

As a reminder, Impac requires that a borrower-signed *Anti-Steering Disclosure* on lender paid transactions be included with the initial loan packages. The signed disclosure must be received before the loan can be moved to Underwriting.

Should the loan switch from a Broker Paid Compensation plan to Lender Paid Compensation, a borrower signed *Anti-Steering Disclosure* will be required.

If you have questions, please contact 855-GO-IMPAC (855-464-6722)
