Other ongoing fires in Los Angeles County include the **Rye Fire**, the **Creek Fire**, and the **Skirball Fire**.

Loan closings and fundings will be delayed for Ventura County as a result of the Thomas Fire until further information is provided by FEMA or the applicable Fire Authority. Loans submitted for closing documents that are located within the targeted area for the other fires – Rye, Creek and Skirball – will be evaluated for potential damage from the fire before proceeding with preparing loan closing documents or funding loans.

Impac will provide specific re-inspection requirements when more information is available.

A map pinpointing the location of the 4 fires are shown below as provided by the CAL FIRE website:

***We thank you for your continued business.***
