

Announcement WS 2018-05-29
FEMA Disaster Declaration Update for
Kentucky 4361 and Ohio 4360
May 29, 2018

FEMA **updated** presidential disaster declaration for the following states as eligible for public assistance only and applies to iQM loans only.

- Kentucky 4361 designating locations affected by severe storms, flooding, landslides; **one additional county added Pendleton.**
- Ohio 4360 designating locations affected by severe Storms, landslides, and mudslides; **three additional counties added Coshocton, Harrison, Jefferson.**

iQM loans only: An exterior re-inspection, with photos, from the appraiser for properties located in zip codes and counties that are eligible for *public* assistance will be required for appraisals issued prior to the incident end dates shown on the attached disaster declarations. The following re-inspection documentation can be used:

- a CDAIR
- a Fannie Mae Form 1004D / Freddie Mac 442, or
- a Fannie Mae Form 2075

Note: An appraisal completed in an area *after the disaster declaration* incident end date does not require a re-certification. However, the appraiser *must* comment that the property is free from damage and that the disaster had no effect on the property. Any damage noted on the appraisal must be resolved before proceeding with closing the loan.

We thank you for your continued business.

If you have questions, please contact 855-GO-IMPAC (855-464-6722).
