

Announcement WS 2017-07-20
Scanning Signed Closing Documents
July 20, 2017

Great News!!

Impac now has the capability to accept scanned closing documents after they have been signed. The email sent to the closing agent indicating that closing documents are available for signing will now include instructions with a link for uploading signed closing documents.

Taking advantage of this option will help expedite the funding process.

If you have questions, please contact 855-GO-IMPAC (855-464-6722)
