

Announcement WS 2017-12-29
Underwriting Manufactured Homes - Update
December 29, 2017

Effective immediately, Impac will underwrite manufactured homes using Freddie Mac's Loan Product Advisor. We will no longer use Fannie Mae as an automated underwriting option.
This requirement only applies to conventional loan products.

We thank you for your continued business.

If you have questions, please contact 855-GO-IMPAC (855-464-6722).
